PRAYER FOR PEACE

God of Peace and Justice,
We pray for those caught up in the current violence in Ukraine and middle East.

We implore you for peace.

Holy Spirit, Our Consolation,
comfort all those who fear.

Grant wisdom and discernment
to those in power.

Holy Family, who fled to Egypt,
guard all those who have sought refuge
away from the land they love,
and bring them safely home again.

Mary, Mother of us all,
cast your protecting veil
around all suffering lands and peoples.

HAPPY EASTER

And as we enjoy the celebrations of the Holiest day of the year, let us not forget what our Lord went through for us, His passion and death.

Volunteers are needed at veterans medical facilities on a regular basis. Through the "Serving Those Who Served" program councils and assemblies are asked to form a corps of volunteers to meet the needs of our veterans on an ongoing basis.

Faith-Based Organizations and Veteran Reintegration
Enriching the Web of Support
Questions That- SHOULD Concern us-
CWV- Catholic War Veterans,USA :Key Points-

Research Questions

How do faith-based organizations (FBOs) currently serve veterans?

Why do veterans turn to FBOs?

How do FBOs fit within the web of support?

What limits these organizations' work with veterans?

Faith-based organizations (FBOs) are an important community-based resource for veterans as they readjust to civilian life.

. Some FBOs have also developed a reputation as safe places for veterans, providing supportive, judgment-free environments. FBOs not only help veterans with spiritual matters but address diverse areas of veteran health and wellness, including vocation, education, financial and legal stability, shelter.

For those with computers, I have attached the report. It is entirely too long to place in this newsletter.
